 REPORT DATE

Drug Chemistry Report

See Code of Iowa Section 691.2 Presumption of qualification - evidence - testimony. "It shall be presumed that any employee or technician of the criminalistics laboratory is qualified or possesses the required expertise to accomplish any analysis, comparison, or identification done by the employee's employment in the criminalistics laboratory. Any report, or copy of a report, or the findings of the criminalistics laboratory shall be received in evidence, if determined to be relevant, in any court, preliminary hearing, grand jury proceeding, civil proceeding, administrative hearing, and forfeiture proceeding in the same manner and with the same force and effect as if the employee or technician of the criminalistics laboratory who accomplished the requested analysis, comparison, or identification had testified in person..."
